

For our training centre, the ADAC HEMS Academy GmbH in Sankt Augustin / Hangelar, we are looking to fill the following position, with an immediate start:

Chief Flight Instructor
(Full-time, 40 hours per week)

The ADAC HEMS Academy is an internationally orientated training centre for helicopter pilots, doctors and paramedics in the air rescue service, and we offer a customised training programme for all three professions.

Our training centre consists of a simulator hall, plus classrooms and meeting rooms, is equipped with state-of-the-art media technology, and offers possibilities for either individual, group or computer-based training.

Your main tasks will include the following:

- Planning, implementation and management of pilot training
- Implementation of theoretical training and flight training in the planned ATO
- Contribution and involvement in the generation and upkeep of training manuals and training plans
- Undertaking of any additional tasks in relation to training

What we expect:

- ATPL-H including type rating examiner (TRE) / type rating instructor (TRI) qualifications
- Instructor for instrument flight rules (FI-IR or IRI)
- Helicopter type ratings preferred EC135 / EC145 / H145
- At least 2000 total flying hours, with at least 1000 hours on one of the above mentioned ratings
- Ideally, experience in flight simulation

In addition, we expect a high level of commitment, passion for teaching and training, as well as a team-minded and integrative nature. Due to our international customer base, a good command of English is essential.

We look forward to receiving your application, preferably by **email**, including your **salary expectations** and your **earliest start date**.

Please do not hesitate to contact Mrs Walter who will be pleased to answer any questions.
